

Teens at the Club enjoy their own exclusive game room where they can kick back and get their game on.

### Game Show Central

Family Feud, Minute to Win it, Wild'n'Out, and more... The Club puts their own spin on classic game shows with laugh-till-you-cry challenges. Get the camera ready... it's about to get crazy.

### Teen Summit

For those who want to make a difference in this world. Members will discover their own strength, meet local leaders, and collaborate to find ways to make an impact.

### The Titan Games

Strength. Courage. Back-up pair of pants. You will need all of these to survive the Titan Games, a series of obstacle courses fit for ninja warriors.

### Food For Thought

Don't worry, there's food for your stomach, too. A confectionary course with a creative twist: Emoji cookies, Oreo frogs, and other Instagram-worthy delights.

# SUMMER 2019

## GET ACTIVE!

Club members can play and compete in our gymnasium, outdoor basketball court, and playground. Of course, being healthy is more than physical fitness; this summer, Club members can also learn important life skills

### Mr. Jase's Ultimate Fitness

#### TRIPLE PLAY (S1)

Races, Relays, and all other gym class classics.

#### HOMEBASE (S2)

The basics of base-based ball games: Kickball, Baseball, Frisbee Baseball, and more.

#### KID'S CHOICE (S3)

Two week intensive with specialized instructors.

#### ON TARGET (S4)

Eyes ready, hands steady! Archery, bowling, dodgeball.

#### BASKETBALL (S5)

Take it to the hoop in week 9. Basic skill courses and a summer finale tournament!

### Special Skills

#### SOUND OFF! (S1)

Are you energetic, volume-on-11 kind of kid?•

#### STORY TELLING (S2)

A program for writers, poets, comic book artists, and performers to shine.

#### BGC WORKSHOP: CRAFTS (S3)

Hands on projects with a variety of materials.

#### DANCE (S4)

Shake, shimmy, and twist to the beat.

#### THE GOOD LIFE (S5)

A fun twist on "grown-up" stuff like money, mechanics, and healthy lifestyle.

## DISCOVER NEW WORLDS

### Discover PLANETS (S1)

A session in two parts: Week 1: What makes the world go 'round? The planet we call home, Earth. Week 2: Get ready for take-off! Explore the galaxy with astronautical activities (No spacesuit required).

### Discover STEM (S2)

Back to the lab! Use precision tools and careful calculations to perform scientific experiments. Side effects include fizzing, sparking, glowing, etc.

### Discover KINGDOMS (S3)

From the majestic golden eagle to the mighty silverback gorilla, the brutal great white shark to the nasty Nile crocodile- Club members will meet the royalty of the animal kingdoms.

### Discover ANCIENT TIMES (S4)

Club members learn the legends and lore of yesteryear. Meet the pantheons of ancient Greek, Egyptian, and Norse cultures. Don't myth out!

### SURVIVOR WEEK (S5)

Do you have what it takes? Use wit and wisdom to "survive" a series of challenges!

## MAKE A MASTERPIECE

At BGC, we know that every kid is a creator in their own special way. Whether they are practically a pro, or picking up a brush for the first time, BGC's summer art program is guaranteed to boost skill and confidence.

### Draw (S1)

Addicted to doodling? Sharpen your skills with pens, pencils, and pastels. Learn sketching and shading skills while drawing figures with detail and depth.

### Paint (S2)

Smocks on! Spend two weeks putting concept on canvas as you create your custom color palette. This course includes step-by-step guidance, as well as time to experiment.

### Sculpt (S3)

Imagination in the 3rd dimension: Course materials include nature, knick-knacks, and whatever else you can get your hands on!

### Design (S4)

Passionate about videogames, board games, and apps? Dive into the world of logos, icons, and type. Equal parts studio/computer art.

### Behind The Scenes (S1-5)

The kids are the producers in this all-summer long course that culminates in a documentary about the BGC summer experience.

### Upcycle (S1-5)

Recycling taken to the next level! BGC calls upon its crafty members to bring new life to old junk.
